**Customer Advisory #122 – 2009
CAGEMA Service Rotation
Cancellation of Norfolk, VA (USORF) port call**

Dear valued customers,

Effective immediately, CMA CGM (Caribbean) LLC will no longer offer weekly direct calls to/from the port of **Norfolk, VA (USORF)** and the Caribbean on the **CAGEMA Mainliner** service. The decision to discontinue this port call is due to various economic and operational reasons.

Norfolk, VA will now be called fortnightly by the Black Pearl service. This service has direct calls to Kingston, Jamaica, and can offer routing to the rest of the Caribbean Islands via transshipment. Please refer to the Black Pearl service schedule for details.

Thank you for your continued support. Should you have any questions or concerns regarding this adjustment, please contact your local CMA CGM (Caribbean) LLC sales representative. For current schedule activity, please visit our Web site at www.cma-cgm.com.

Best regards,
