

**Customer Advisory #132 – 2009
Weight Limits & Overweight Surcharges (OWS)
Exports via Canadian Ports**

Dear valued customers,

We would like to remind you of our policy on weight payloads allowed in the containers for Export Cargo via Canadian Ports.

Intermodal

20STD	Payload	OWS
	< 50000 lbs	Not Applicable
	from 50000 to 55000 lbs	USD \$375
	> 55000 lbs	Cargo Not Accepted

*Subject to road weight limits at origin and destination

**Subject to certified containers payload

Port origins

For safety reasons, and effective immediately, we will restrict payloads for cargo arriving at the ports:

20STD	Payload	OWS
	< 55000 lbs	Not Applicable
	from 55000 to 62000 lbs	USD 150**
	> 62000 lbs	Cargo Not Accepted / Penalty USD \$1000

**OWS USD \$150 not Applicable for HALIFAX POL

Any loaded containers over 62000 lbs payload will be charged USD \$1000 fee, as it impacts directly our containers safety.

We thank you for your understanding and continuous support. Should you have any queries regarding this customer advisory, please feel free to contact your CMA CGM sales representative.
