

Customer Advisory #64 – 2009

General Rate Increase **Rescinded** USA to Australia and New Zealand

Dear Valued Customer,

CMA-CGM (America) LLC advises that our announced GRI to Australia and New Zealand, scheduled to become effective on July 1, 2009 has been rescinded. It is our assessment based on input from our customers that market conditions would not support rate increases in the trade at this time.

The following GRIs which were to be effective July 1, 2009 have been rescinded-

All dry or refrigerated cargo, exempt or non-exempt commodities,
received and moving under a CMA CGM (America) LLC bill of lading,

USD \$150 20' container (all types)
USD \$300 40' container (all types)

Thank you for your continued support. Should you have any questions or concerns regarding this change, please contact your local CMA CGM (America) LLC sales representative. For current schedule activity please visit our Web site at www.cma-cgm.com.

Best regards,
