Customer Advisory #73 – 2009

General Rate Increase **Rescinded** USA to Asia

Dear Valued Customer,

CMA CGM (America) LLC advises that our announced GRI for Exports from all US East Coast and West Coast ports to all destinations in Asia (including, but are not limited to; China, Hong Kong, Japan, Korea, Taiwan, Philippines, Cambodia, Thailand, Singapore, Malaysia, Vietnam, Indonesia, and Burma) under the scope of tariff 044., scheduled to become effective on July 8, 2009 **as per customer advisory #50-2009** has been rescinded. It is our assessment based on input from our customers that market conditions would not support rate increases in the trade at this time.

The following GRIs which were to be effective July 8, 2009 have been rescinded. All dry or refrigerated cargo, exempt or non-exempt commodities, received and moving under a CMA CGM (America) LLC bill of lading,

USD \$50 20' container (all types)
USD \$100 40' container (all types)

Thank you for your continued support. Should you have any questions or concerns regarding this change, please contact your local CMA CGM (America) LLC sales representative.
