**Customer Advisory #117 – 2010
Colombia Equipment Update
Effective August 8 , 2010**

Dear Valued Customer,

Due to the high accumulation of empties across depots in Colombia, and the difficulties to relocate equipment to the ports of Cartagena and Buenaventura, please be advised that beginning August 8th 2010, customers must return empty containers to the same port (not to inland depots), where full container were picked up

This change will apply to all cargo which are received and moving under a CMA CGM bill of lading on or after August 8th, 2010.

Thank you for your continued support. Should you have any questions or concerns regarding this change, please contact your local CMA CGM (America) LLC sales representative. For current schedule activity please visit our Web site at www.cma-cgm.com.

Best regards,
