**Customer Advisory #58 – 2010
FUJI Service Changes & Termination from Canada
Effective March, 2010**

Dear Valued Customer,

Effective **March 26th, 2010**, CMA CGM (Canada) Inc. will implement the following changes to the FUJI EXPRESS Service, leading up to the termination of Canada POL's from the service following the April 23rd, 2010 sailing of voyage FJ194W.

Voyage FJ186W / Cordelia will ONLY call Tokyo & Osaka. All containers destined for Nagoya, Kobe, and Shimizu POD's will be routed through Yokohama on our Columbus Service at CMA CGM's expense.

Routing for the following remaining voyages will also be offered via Yokohama on the COLUMBUS Service at the shipper's expense. This **alternative will require an updated rate**, as it is routed via a third party feeder.

**It is up to the shipper to either contact their sales rep for updated rates on the COLUMBUS Service, or cancel your booking if additional freight costs cannot be supported.

Thank you for your continued support. Should you have any questions or concerns regarding this adjustment, please contact your local CMA CGM (Canada) LLC sales representative. For current schedule activity, please visit our Web site at www.cma-cgm.com.

Best regards,
