**Customer Advisory #23 – 2011
New Amerigo Service Rotation
April 2011**

Dear Valued Customer,

Please be advised that in an effort to continue improving our quality of the services provided to our customers, CMA CGM (America) LLC and its partners have decided to adjust the port rotation of the Amerigo Express service, as follows:

Loop 1:

New York – Norfolk – Savannah - Algeciras – Malta – Gioia Tauro – Livorno – Genoa – Fos Sur Mer – Valencia - Algeciras – New York

Loop 2:

Port Everglades – Cagliari – Livorno – Genoa – Barcelona – Valencia – Port Everglades

Splitting the service in the two loops will allow us to insert a direct call at Valencia ex New York, Norfolk and Savannah as well as will enhance the coverage ex South Florida to the Mediterranean scope with improved transit time.

This change will occur beginning of April 2011 (exact dates and voyage numbers to be advised).

Thank you for your continued support. Should you have any questions or concerns regarding this change, please contact your local CMA CGM (America) LLC sales representative. For current schedule activity please visit our Web site at www.cma-cgm.com.

Best regards,
